MEDIA ADVISORY- PETROTECH 2019

ABOUT PETROTECH

PETROTECH-2019, India's flagship biennial hydrocarbons event, is being organized under the aegis of the Ministry of Petroleum and Natural Gas during February 10-12, 2019. As the prime showcase of India's hydrocarbon sector, the three-day mega event will see participation of over 100 eminent speakers and 7000 delegates from around 70 countries, including technologists, scientists, planners, policy-makers, management experts, entrepreneurs, service-providers and vendors. Along with the Conference, the event will have a concurrent Exhibition spread over 20,000 square meters at India Expo Mart, Greater Noida.

The PETROTECH 2019 exhibition will focus on development in technologies for exploration & production, process control, refining and pipeline and services, systems, products, oil field hardware, software, analytical instruments, Renewable, R&D, HSE, training and publications of technical literature. Exhibition will remain open to visitors from 1000 hrs to 1800 hrs on 10th & 11th February, and up to 1400 hrs on 12 February 2019.

The Conference will host two ministerial sessions and a Ministers' Conclave with participation from overseas ministerial delegations, Union Ministers and Chief Ministers. Besides, the Conference will also feature CEO Conclave, three Plenary Sessions and five Theme Sessions, which will be addressed by eminent speakers and technical experts and witness the participation of the Who's Who of the global oil and gas industry.

The Technical Sessions, running parallel, will see presentation of papers by over 300 speakers in both oral and poster sessions (seven Digital Poster Sessions) on petroleum technology, exploration, drilling, production and processing, refining and other related issues.

The PETROTECH Exhibition will see participation of about 600 exhibitors from over 50 countries, with exclusive areas on the Make in India and Renewable Energy theme.
